The National Sorry Day Committee (NSDC) was established in 1998 and has been incorporated since January 2001. From the beginning, the NSDC has worked with the commitment, dedication and involvement of both Indigenous and non-Indigenous Australians. The NSDC has a mandate from the Stolen Generations, through our affiliated State / Territory bodies. With the ongoing support of Indigenous and non-Indigenous Australians the NSDC continues to work in unity with the Stolen Generations, Aboriginal and Torres Strait Islander communities, government, social justice and community organisations, so that the 54 recommendations of the BTH Report are finally achieved.

The aims of the NSDC are:

- 1 To encourage Indigenous and non-Indigenous Australians to work for recognition and justice both for Indigenous people forcibly removed from their families as children, and for their families and communities.
- 2 To monitor and lobby for the implementation of the recommendations of the Bringing Them Home report, including those related to the separation of Indigenous children today (Recommendations 44-53)
- 3 To assist the process of healing among those who were forcibly removed, their families, the Indigenous community and the wider community
- 4 To educate the general community on the history and continuing effects of policies of forcible removal
- 5 To organise appropriate events to mark the anniversary of Sorry Day
- 6 To raise funds to carry out the above
